All your hopes and dreams are overrated

At least that's what the world's been telling me

I wanna wake up and feel it the passion inside
D
Rising up like a wave I'm desperate to ride
Em
Hear the call of the wind in the trees telling me
D/F#
To begin to breathe new life

Chorus

C
I wanna break away
G
Dive into the day
D **Em**
Know that I'm alive, alive
C
Soak up all the sun
G
Until I come undone
D
Know that I'm alive, alive again

Pumping blood through my veins with my eyes
open wide

And begin to breath new life
